

LIMITED WARRANTY FOR THE NAIS HOT RESTRIKE XLB™ ELECTRONIC METAL HALIDE SYSTEM

What this warranty covers and for how long.

Aromat Corporation (Aromat) warrants that the hot restrike electronic system including the inverter, ignitor and lamp socket (the "system") will be free from defects in material and workmanship for a period of one (1) year from date of installation (adequate records must be provided).

NOTE: The expected usage per year is 2000 hours or less. The warranty will be voided if the maximum case temperature is greater than 85°C or if a reverse polarity input voltage was connected to the inverter. If the operating time exceeds 2000 hours per year, the warranty time will be based on 2000 hours maximum.

The temperatures stated above shall be determined by installing the system in the field condition and measuring the maximum case hot spot temperature. If the temperature measured and installed time period do not exceed the conditions above, Aromat will, at its option, and at no charge, either replace any defective system (F.O.B. Aromat's plant or other point of shipment, with freight allowed within the continental United States, Alaska and Hawaii) or refund the purchase price of any defective system, provided it is covered under the terms and conditions of this limited warranty. Any simulated field condition test concerning any system that is claimed to be defective must be mutually agreed upon in writing. Aromat must be notified of and may be represented at all such tests.

Warranty Conditions.

Aromat extends this limited warranty only to the original purchaser or the first purchaser who is an end user. This is the complete warranty for the system by Aromat. Unless it is provided for in a separate agreement between the end user and Aromat, Aromat does not warrant the installation, maintenance, or service of the system and will not warrant any system that has had the input voltage applied in a reverse polarity.

Aromat cannot be responsible for any ancillary equipment not furnished by Aromat, which is attached to or used in connection with the system, or for the operation of the system with any ancillary equipment, and all such equipment is expressly excluded from this limited warranty. Furthermore, Aromat cannot be responsible for any damage to the system resulting from the use of ancillary equipment not furnished by Aromat for use with the system. In addition, Aromat will not warrant the system for any off-road vehicular applications.

What this warranty does not cover.

This limited warranty is, and the remedies set forth herein are, conditioned upon the proper storage, installation, use and maintenance of the system and conformance with any recommendations of Aromat. In particular, this limited warranty is not applicable to any system that is not installed and operated in accordance with:

- Federal, state and local codes
- The standards of the Society of Automotive Engineers (SAE)
- Department Of Transportation(DOT) regulations, if a vehicular application
- Aromat Application Guidelines

How to obtain Warranty Service.

If it appears within the time periods stated above from the date of manufacture that an installed system does not meet the limited warranty set forth above, the purchaser must notify Aromat at 888-4Aromat, of its warranty claim, and, after receiving proper authorization, return the system to the assigned Aromat Ballast Warranty Service location.

Aromat will pay actual and reasonable labor expenses for the replacement of the defective system up to a maximum of \$10.00 per system, provided that Aromat has satisfied itself that the system was in fact, defective, and was operated, used, and maintained in accordance with Aromat's published instructions. Only one labor replacement allowance shall be payable per system.

General Provisions.

This limited warranty sets forth all of Aromat's responsibilities regarding the ballast. Your exclusive remedy is replacement of the ballast or refund of the purchase price, at Aromat's option. THIS WARRANTY IS GIVEN IN LIEU OF ALL OTHER EXPRESS WARRANTIES. IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED TO THE DURATION OF THIS LIMITED AGREEMENT. IN NO EVENT SHALL AROMAT BE LIABLE FOR DAMAGES IN EXCESS OF THE PURCHASE PRICE OF THE BALLAST, FOR ANY LOSS OF USE, LOSS OF TIME, INCONVENIENCE, COMMERCIAL LOSS, LOST PROFITS OR SAVINGS OR OTHER INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OR INABILITY TO USE SUCH BALLAST TO THE FULL EXTENT THAT SUCH MAY BE DISCLAIMED BY LAW, EVEN IF AROMAT MAY HAVE BEEN ADVISED OF THE POSSIBILITY OF SAME.

State Law Rights.

Some states do not allow the exclusion or limitation of consequential or incidental damages, or how long an implied warranty may last. Therefore the limitations or exclusions of consequential or incidental damages and implied warranties set forth herein may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary, from state to state.
